PIAZZA ARMERINA, VILLA ROMANA DEL CASALE

Villa Romana del Casale, located near Piazza Armerina in Sicily, is an ancient Roman villa known for its magnificent and colorful mosaic floors, which are among the most beautiful in the world. Built around 1,700 years ago, it shows scenes from daily life, animals, and games. It's a UNESCO World Heritage site because it tells the story of Roman history and art in a unique and special way.

LOOK AT THIS MOSAIC: WHAT
MIGHT THE ANCIENT ROMANS
BE SAYING? TURN THE MOSAIC
INTO A COMIC.
